And a medical drama was performed mixing humour with a take-home message about serving patients wholeheartedly...

And a local youth band provided the music!

Some staff were thanked with presents which turned out to be Kisiizi School of Nursing t-shirts... here Mr. Moses Mugume, the Senior Hospital Administrator, receives his gift.

And of course there had to be a cake, here being cut by the Medical Superintendent, Principal Tutor, Bishop Benon, Guest of Honour, Graduate representative and Chairperson of the School sub-committee of the Board.

All members of the school took part from Sister Leah, the Principal Tutor (left) to current students.

DIAMOND JUBILEE – STAFF AND EX-STAFF FELLOWSHIP WITH VISITORS

SATURDAY 7TH APRIL

It was lovely to see many ex-Staff from across the decades catching up with old friends and meeting our current staff teams as well as visitors from other parts of Uganda and the UK.

A very rhythmic bouncy song from some vibrant children with special needs who are part of our Primary School family!

Reunion time: Dr Francis, a physician, Rev. Christopher, a minister and Teacher Obed representing the breadth of Kisiizi life

And of course to celebrate you have to dance!

Different styles of dance from different tribal cultural backgrounds...

And after the exertions of watching the dancing you have to queue up for lunch...

Spectators from Kisiizi Hospital Primary School!
