We do hope you will join us for our annual Friends Day. We will provide tea and coffee, please come with a packed lunch.

The programme will include feedback from Kisiizi updating us on progress and developments in the past year. We are glad that recently married Drs Philip and Bethany Sunday from Kisiizi will be with us for the day.

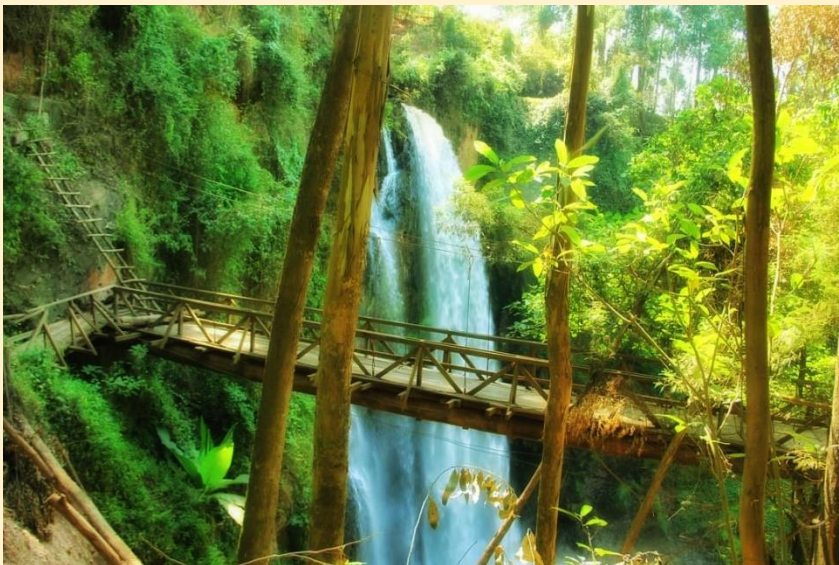

We will hear about some of the strategic plans for the future and pray for wisdom in setting priorities and the provision of the right staff and resources to implement these plans.

There is no fee for attending and no need to register. Free car parking is available at the Church. The nearest railway station is Earley. We may be able to help with transport from Earley station, contact Ian on 07544473814 or Hanna on 07442473399.

Please pray for the day that it will strengthen the Kisiizi family links and encourage the staff. We look forward to you joining us!
